Mothers' Guild welcomes all parents to our informal "Parent Connection" Q&A. Come ask any questions or get more detailed answers that may not have been covered in the regular Mothers' Guild meetings or specifically described in the Parent/Student Handbook or on the SFHS website. Or, just listen to what others have to ask.

Representatives from the SFHS administration and other parents will be on hand to help answer your questions about student activities, counseling services, social life, service hours, student testing,  
sports and more!

**Come with QUESTIONS...leave with ANSWERS!**
