The Franciscan tradition is expressed in the ministry of St. Francis High School in regards to the family, to the Church, and to society. Our Franciscan charism includes promoting harmony, unity, and love in every special structure, the most fundamental of which is the family. The "family spirit" is extended from each individual family to encompass the entire "school family," that is, administration, faculty, staff, students, and alumni.

MISSION STATEMENT

- ❖ St. Francis High School provides a Catholic college-preparatory education in the Capuchin Franciscan tradition of love and discipline.
- ❖ We **enrich** the mind and the heart through the teachings of Jesus Christ and Francis of Assisi.
- ❖ We **strengthen** the Franciscan values of respect for others and self through service and humility.
- ❖ We **create** a family environment for young men of diverse backgrounds and their families.
- ❖ We **envision** a Franciscan education not as an end in itself, but as a means of forging men of hope. As instruments of peace, they will build God's kingdom through example.
